

2 IV 74

Dear Ralph, Sherry & Dave,
Hope you got my phone cancellation
message Friday. Sorry not to have been able
to take advantage of my time
reserved & your hospitality this
time, but I got a grant
("visiting artist") to go to Syracuse
this month to do interaction
programming on the theme of
the impact of the new feminist
consciousness on style & content
of work by women in the visual
arts — in conjunction with
their weekend on Women in the Arts
at Syracuse U. So trying to gather
material from NYC artists to add
to participation by women here & raise
funds to preserve it all on 1" tape &
get access to color equipment here beforehand
for some taping is taking all my

time. But it was in your office
that I laid my eyes on the
info on the Synapse/Invasion Media
Visiting Artist program, so God bless
you for having it there! I'd visited Synapse
in Oct. & Dec. '72, so already knew some people there.
I'll make an edited 1" tape (color)
of this material to show at the
first conf. on Sociology & the Arts at
SUNY, Oswego May 3-5, & thereafter hope
to get it into some kind of distribution
system. So how's time look for
early June on your calendar? I'll
be out of school, so no schedule
restrictions.

Thanks again for everything.

Best,

Jackie Staler
